Nature Of Training:

The Salinas SWAT Team travelled to Soledad CTF Range to conduct firearms training, focusing on precision shooting, mechanical off-set and hostage rescue shooting. This training also involved weapons manipulation to include unholstering and reloading with handgun. Training also incorporated the use of the rifle which also included weapons manipulations and reloading. Rifle qualification was conducted as well as handgun standards. Training involved paper and reactive steel targets which focused on precision, mechanical off-set and hostage rescue shooting drills.
