Nature Of Training:

The training day began at the Salinas Police Department Range. Officers completed and passed the standards for handguns and rifles.

After the standards were completed, we began incorporating drills using cover. Officers were broken into groups and utilized cover mimicking an armored vehicle. We also included unconventional shooting positions, including rolled and prone positions.

Summary Of Training

Training hours:
0700 Start time
1600 end time
1600-1740 Weapons maintenance

Recommendations:

Continue to train in the use of cover and the ARV.
