Nature Of Training:

The training day began at the T&A housing complex. Officers were given several Hostage Rescue scenarios. These scenarios included shoot and no-shoot drills. All officers demonstrated proficiency in Hostage rescue techniques.

The second part of the training was at the Salinas Police Department Range. Officers completed and passed the standards for handguns and rifles.

After the standards were completed, we began to incorporate drills. The initial drills were intended to focus on accuracy with handguns and rifles. We concluded training with an accuracy drill, and officers passed this drill.

Summary Of Training
