

AOT/ 3rd and 4th Quarter Qualification

Handgun

3rd and 4th Quarter 2023

Scope of Training:

- Reloading
- Speed and accuracy

Key Points:

- Does shooter speed reload/emergency reload when appropriate.
- Can shooter speed up and slow down for accurate hits.

Drill: Fast, Faster, Fastest

Load Out: 2 Magazines

- 1st : 9 Rounds
- 2nd : 9 Rounds

Range Set Up:

- Shooter will start at the 20-yard line at the low ready.
- There will be a total of 3 Targets set up, each with an 8-inch hit zone. 1st target will be set up at the 15-yard line, 2nd target at the 10-yard line, and 3rd target at the end of the lane or at the 0-yard line.
- The 3 targets from the shooter's perspective should be set up essentially shoulder to shoulder with one another. With the 1st target being to the shooter's left, 2nd target to the shooter's right, and 3rd target directly in front appearing to be the center target.

Drill Description:

- Shooter will start with a 9 round magazine loaded in the gun.
- On the buzzer shooter will fire 3 rounds at the 1st target, 3 rounds at the 2nd target and 3 rounds at the 3rd target.
- Upon the shooter being at slide lock, shooter will perform an emergency reload, then fire 3 rounds at the 3rd target, 3 rounds at the 2nd target and 3 rounds at the 1st target.

*Shooters need pass with a 70% or 5 misses

Scope of Training:

- Shooting on the move
- Shooting from barricades

Key Points:

- Does shooter effectively control their speed while shooting on the move
- Does shooter effectively use barricades.

Drill: Shooting on the move and barricades

Load Out: 2 Full Magazines

Range Set Up:

- Shooter will start at the 20-yard line with their firearm in the holster.
- There will be 1 blue silhouette target set up in the middle of the range
- There will be a standing barricade at the 15 yard line, moving diagonal to the right there will be a barricade laying on its side at the 7 yard line.

Drill Description:

- Shooter will start with a full magazine in their gun.
- On the threat command the shooter will move to the 15 yard barricade and shoot 2 rounds standing and 2 rounds kneeling. They will then begin moving to the barricade at the 7 yard line, on the threat command they will shoot 4 rounds on the move.
- Once they get to the 7 yard barricade the shooter will take appropriate cover and shoot 2 rounds. The shooter will then get up safely and begin moving towards the target, on the threat command they will shoot 4 rounds on the move.

*Shooters need pass with a 70% or 4 misses.
