Nature Of Training:

The training day began at the Salinas Police Department shooting range. We shoot with our handguns at the 7-yard line for accuracy and at time limit. The shooting was at a low ready or sometime from the holster. We shot with our duty rifles, and we were timed on this. We shot while shooting on the move at several distances using handguns and rifles for accuracy and consistence. Some of the drills also incorporated reloading weapon systems while moving.

Summary Of Training

Training hours:
0700 Start time
1600 end time
1600-1740 Weapons maintenance

Recommendations:

Continue to train while shooting on the move to increase proficiency while doing so.

Ammunition:

Training ammo used during this training was approximately 1000 rounds of 9mm, 700 rounds of 45mm and 1500 rounds of rifle 556.
